Moonlight Picnic.

Magical moments under the starry sky.

Experience magical nights under the clear winter stars: During a cozy walk through the snow-covered Pfunds Tschey, you can observe the fascinating phases of the moon up close. Warming punch, mullet wine and a light snack round off this special evening in a truly enchanting atmosphere.

Dates with our knowledgeable nature guide:

- ▶ **18th of January & 17th of February - New moon**
During the new moon, the moon remains hidden as its visible side is not illuminated by the sun.
- ▶ **01st of February & 03rd of March - Full Moon**
During this moon phase, the visible side is fully illuminated, lighting up the night sky.
- ▶ **12th of February - Waning Half Moon**
The waning half moon casts a gentle light across the sky, creating a calm and magical winter atmosphere.
