IN.KLÄNG & HISTORICAL TOUR RIED

Culturally, the Tyrolean Oberland has a lot to offer. At important places in the Tyrolean Oberland, nature lovers will find two-metre-high wooden elements „stelen“, which tell special stories of the landscape, with the voices of locals. For more cultural insights, the village Ried offers a „Historical Tour“. Here you will find bilingual information boards at the total of 22 stations, including the parish church of St. Leonhard, the castle of Sigmundried or the Fasslbrunnen, which tell more about the history of the memorials.
